

# Introduction

Shell Aviation supplies the highest quality fuels, lubricants and services to the aviation industry worldwide. Our aim is to serve the aviation industry as a whole, as we have done now for over 90 years.

It is our pleasure to present to you this, the 2007 issue of the Shell Aviation North America Location Handbook - your guide to world class refuelling and aviation services across North America.

## Note

*While great care is taken in the preparation of the information contained in this publication, Shell Aviation cannot be held responsible for the use of such data. Please check carefully the validity of your card(s) and your specific aviation requirements with your local Shell Aviation company prior to departure. You can also check our website [www.shell.com/aviation](http://www.shell.com/aviation) for the latest network developments.*

© Shell Aviation 2007. Permission should be sought from Shell Aviation before any part of this publication is reproduced, stored in a retrieval system or transmitted by any other means. Agreement will normally be given, provided that the source is acknowledged. The words Shell, 'we' and 'us' are used in some places to refer to the Group and in others to an individual Shell company or companies where no particular purpose is served by identifying the specific company or companies. 'Shell Aviation' is the term used to describe collectively the Shell Group's global aviation business.

**CANADA AVIATION DIRECTORY**

We are proud to provide you the 2007 Shell Canada Aviation Directory containing information about our close to 50 Shell FBOs nationwide. Shell has been committed to aviation from the very beginning of flight, providing quality performance-enhancing fuels and lubricants to the worldwide aviation community. Shell Aviation's extensive Canadian network, including 15 Shell Aerocentres†, is dedicated to serving the entire aviation industry, from private pilots to the largest airlines.

Whether in need of a quick turnaround or a full service layover, you can count on Shell Canada Aviation. Visit a Shell FBO, where you will be greeted by professionals committed to high quality, safe, attentive service.

**THE SHELL TRITON/eTRAC SYSTEM**

Shell Canada has developed the Triton/eTRAC system as the complete commercial fleet management solution. As a Triton cardholder you are eligible to receive discounts on your Canadian aviation and road transport fuel purchases\*. Commercial customers can apply for this card system and discover the benefits of the web-based account management tool, eTRAC.

We look forward to bringing you on board the most comprehensive fleet management solution available. For more details please contact our Customer Service Centre at 1-800-661-2278.

**EARN AIR MILES™ REWARD MILES**

Another great advantage of using the Shell Canada Aviation network is that you can earn AIR MILES reward miles with every purchase of Shell Aviation products (contract purchases excluded).

For more information on the AIR MILES Reward Program please contact AIR MILES at 1-888-247-6453 or click to [www.airmiles.ca](http://www.airmiles.ca)

**FOR MORE INFORMATION**

Please contact our Shell Helps Centre toll-free at 1-800-661-1600, by e-mail at [sales-aviation@shell.com](mailto:sales-aviation@shell.com) or visit our web site at [www.shell.ca/aviation](http://www.shell.ca/aviation).
