

# Aviation Fuel

## Location Guide-Oceania

2007

[www.shell.com/aviation](http://www.shell.com/aviation)

**Shell Aviation**

## Products and Services

### INTO-PLANE SERVICE

#### Availability

Into-Plane service is available at days and times listed in the schedule.

#### Call Out Fees

Call Out Fees are normally charged for out of hours service. Where out of hours service is required, we recommend pilots phone ahead to confirm fuel availability and the Call Out Fee applicable. Shell does not accept any liability for changes to information contained herein.

### SELF-SERVE BOWSERS

Shell Aviation offers customers the convenience of swipe card bowzers at selected locations throughout Australia and New Zealand. These locations have a self service bowser (24hr) icon listed in the 'Fuel and Delivery Method' column in the schedule.

### AVIATION DRUMMED FUELS

Drum stocks of Aviation Gasoline and Jet A1 are available from major Shell country depots in Australia.

### AEROSHELL OILS

Most grades are available at major airports on demand. Others can be obtained by prior arrangement.

### CARNET CARD AND CREDIT CARDS

Whenever you fly, you'll find that Shell Aviation Outlets accept the Shell Aviation Carnet Card which makes flying even more flexible. Most Shell Aviation Outlets throughout Australia also accept major Credit Cards.

Carnet

Mastercard

Visa Card

PLEASE NOTE: All information and location details are correct as at March 2007. The Shell Company of Australia cannot accept liability for any error or omission.

The Shell Company of Australia Limited ABN 46 004 610.
