

Shell Chemicals

Non-Diversion clause for sales of MEK, Toluene, and/or Acetone

MEK, Toluene and/or Acetone customers acknowledge that they are familiar with and will comply with all applicable laws and regulations relating to the use, diversion, trade, export, or re-export or dual-use of MEK, Toluene and/or Acetone of Products. Without prejudice to the foregoing, where requested to do so these Customers will supply Shell Chemicals companies with evidence that controls are in place at their customer-base, which actively support such compliance.
