Date of birth

Explanation On the death of a participant, former participant or retiree, his children are entitled to an orphan's pension until they are 18 years old. Children from age 18 and up may also be eligible to an orphan's pension, until the end of the month of August following their 24th birthday at the latest. One condition for this is that a child spends most of his time on his studies. In that case this form should be used.

Remarks

Explanation Students attending courses at a Dutch university or college of higher/professional education, or at a different Dutch educational institution that issues official registration certificates, do not need to complete and sign this form. In that case the student can enter his own particulars on this form. He must attach a copy of the relevant official registration certificate to the form.

Submission and processing

Please send the duly completed and signed form to the Pension Fund. The Pension Fund will adjust the data in the pensions administration and the student will receive a confirmation of this. Every year this form must again be completed and returned. To this end the student will receive a new form from the Pension Fund before the start of the new academic year.
