## EXTERNAL AWARDS

Your Company remained at the forefront of quality, accounting practices, occupational health and safety, and environmental management, winning awards in these areas, not only from within the Shell Group but also from governmental and non-governmental agencies in Malaysia. We are proud to report that our commitment in occupational health, safety and environmental management standard has won us the following awards:

- **NACRA Awards 2005**

Your Company won double awards during the National Annual Corporate Report Awards (NACRA) 2005 ceremony.

- Awarded to your Company for the **Industry Excellence Award** for companies listed on Bursa Malaysia's Main Board under the Industrial Products and Technology sector. This is the first time that we received this award.
- Awarded to your Company for the **Best Annual Report in Environmental Reporting** category among public listed companies in Malaysia. This is the fourth consecutive year that we received this award.

- **Prime Minister Hibiscus Award 2004/2005**

Awarded to your Company for the Notable Achievement Award for Environmental Performance in the Prime Minister's Hibiscus Award 2004/2005.

- **Laboratory Excellence Award 2005**

Awarded to your Company's Laboratory by the Malaysian Institute of Chemistry for demonstrating quality, safety, technical competency and a high standard of analytical services and integrity. This is also the fourth consecutive year that we received this award.

- **MSOSH Gold Merit Award 2004**

Awarded to your Company by the Malaysian Society for Occupational Safety and Health (MSOSH) for demonstrating that Safety and Occupational Health excellence is consistently applied in our business activities. The Gold Merit Award is the highest prize awarded in 2004. This achievement is the result of the sustained effort and commitment of all company staff, our business partners and our contractors.

- **National Occupational Safety and Health (NCOSH) Award 2005**

Awarded to your Company under the category of Major Industry for Oil/Gas/Chemical via nomination by the Department of Occupational Safety and Health (DOSH), Negeri Sembilan.

- **NAfMA Best Practice Award 2005**

Awarded to your Company by the Malaysian Institute of Accountants and the Chartered Institute of Management Accountants, which aims to support the Government's call for corporate excellence and good corporate governance by recognising organisations that adopt best practices in management accounting in the pursuit of world class business performance.

- **KPMG/The Edge Annual Shareholder Value Award 2004**

Awarded to your Company as your company was judged Number 1 in the Energy and Natural Resources category of the 2004 KPMG/ The Edge Annual Shareholder Value Awards. The KPMG/ The Edge Annual Shareholder Value Awards recognise publicly listed companies in Malaysia that have generated exemplary value for their shareholders in the financial year in review.

## Awards and Recognition

### EXTERNAL CERTIFICATIONS

As a reflection of sustained efforts, your Company has received certifications from the International Standards Organisation (ISO) and the Malaysian Society of Occupational Safety and Health (OHSAS).

- ISO 14001**  
 Your Company achieved ISO14001 certification in September 2000 and a re-certification audit was successfully conducted in 2003. This international standard sets the guidelines for environmental management.
- ISO 9001**  
 Your Company successfully upgraded to ISSO 9001:2000 by SIRIM in July 2003 with an expanded scope to include Marine services.
- ISO 17025**  
 Your Company's laboratory successfully migrated to the new ISO 17025 standard in 2001. The certification is the highest quality award granted in recognition of the technical competence of our laboratory personnel and sound quality management system in place.
- OHSAS 18001**  
 Your Company achieved OHSAS certification in 2001. A re-certification audit was successfully conducted in 2004.
- ISPS**  
 Your Company achieved compliance to International Ship and Port Facility Security (ISPS) in 2004.
