

Awards and Recognition

EXTERNAL AWARDS

Your Company remains at the forefront of quality, accounting practices, occupational safety and health, and environmental management, winning awards in these areas, not only from within the Shell Group but also from governmental and non-governmental agencies in Malaysia. We are proud to report that our commitment in occupational safety and health, and environmental management standard has won us the following awards:

- **NACRA Awards 2006**

Your Company won double awards during the National Annual Corporate Report Awards (NACRA) 2006 ceremony.

- Awarded to your Company for the **Industry Excellence Award** for companies listed on Bursa Malaysia's Main Board under the Industrial Products and Technology sector. This is the second consecutive year that we clinched this award.
- Awarded to your Company for the **Platinum Award - Best Annual Report in Environmental Reporting** category among public listed companies in Malaysia. This is the fifth consecutive year that we received this award.

- **ACCA Malaysia Environmental & Social Reporting Awards (MESRA) 2005**

Awarded to your Company for the ACCA Malaysia Environmental & Social Reporting Awards (MESRA) 2005 - **Best Environmental Reporting in an Annual Report** to recognise excellence in environmental, social and sustainability reporting. The ACCA Awards aims to identify and reward innovative attempts to communicate corporate performance, to raise awareness in corporate transparency issues and to encourage the uptake of environmental and social reporting. This is the first time that we received this award.

- **Laboratory Excellence Award 2006**

Awarded to your Company's Laboratory by the Malaysian Institute of Chemistry for demonstrating quality, safety, technical competency and a high standard of analytical services and integrity. This is also the fifth consecutive year that we clinched this award.

- **MSOSH Gold Merit Award 2005**

Awarded to your Company by the Malaysian Society for Occupational Safety and Health (MSOSH) for demonstrating that Occupational Safety and Health excellence is consistently applied in our business activities. This achievement is the result of the sustained effort and commitment of all Company staff, our business partners and our contractors.

- **NAfMA Best Practice Award 2006**

Awarded to your Company by the Malaysian Institute of Accountants and the Chartered Institute of Management Accountants, which aims to support the Government's call for corporate excellence and good corporate governance by recognising organisations that adopt best practices in management accounting in the pursuit of world class business performance. This is the third consecutive year that we received this award.

- **KPMG/The Edge Annual Shareholder Value Award 2005**

Awarded to your Company as your company was judged Number 1 in the Energy and Natural Resources category of the 2005 KPMG/ The Edge Annual Shareholder Value Awards. The KPMG/ The Edge Annual Shareholder Value Awards recognise publicly listed companies in Malaysia that have generated exemplary value for their shareholders in the financial year in review.

EXTERNAL CERTIFICATIONS

As a reflection of sustained efforts, your Company has received certifications from the International Standards Organisation (ISO) and the Malaysian Society of Occupational Safety and Health (OHSAS).

- **ISO 14001**

Your Company achieved ISO14001 certification in September 2000 and a re-certification audit was successfully conducted in 2006. This international standard sets the guidelines for environmental management.

- **ISO 9001**

Your Company successfully upgraded to ISO 9001:2000 by SIRIM in July 2003 with an expanded scope to include Marine services.

- **ISO 17025**

Your Company's laboratory successfully migrated to the new ISO 17025 standard in 2001. The certification is the highest quality award granted in recognition of the technical competence of our laboratory personnel and sound quality management system in place.

- **OHSAS 18001**

Your Company achieved OHSAS certification in 2001.

- **ISPS**

Your Company achieved compliance to International Ship and Port Facility Security (ISPS) in 2004.
