

Awards & Recognition

Your Company remained at the forefront of quality, accounting practices, occupational safety and health and environmental management, winning awards in these areas, not only from within the Shell Group but also from governmental and non-governmental agencies in Malaysia.

EXTERNAL AWARDS

We are proud to report that our commitment in occupational safety and health, and environmental management standard has won us the following awards:

- **Laboratory Excellence Award 2007**

Awarded to your Company's Laboratory by the Malaysian Institute of Chemistry for demonstrating quality, safety, technical competency and a high standard of analytical services and integrity. This is also the sixth consecutive year that we have clinched this award.

- **ACCA Malaysia Environmental & Social Reporting Awards (MESRA) 2006**

Awarded to your Company for the Best Environmental Reporting in an Annual Report to recognise excellence in environmental, social and sustainability reporting. The MESRA award aims to identify and reward innovative attempts to communicate corporate performance, raise awareness in corporate transparency issues and encourage the uptake of environmental and social reporting. Your company has won this award for the second consecutive time.

- **MSOSH Grand Award 2006**

The highest award presented to the Company by the Malaysian Society for Occupational Safety and Health (MSOSH) for demonstrating that Occupational Safety and Health excellence is consistently applied in our business activities. These achievements are the result of the sustained effort and commitment of all Shell staff, our business partners and our contractors.

- **Prime Minister's Hibiscus Award 2006/2007, Notable Achievement in Environmental Performance**

First launched in 1996, the Prime Minister's Hibiscus Award is the premier private sector environmental award for business and industry in Malaysia. The Award, previously known as "Hibiscus Award", was upgraded to the Prime Minister's Hibiscus Award, following the approval of the Honorary Prime Minister of Malaysia in June 1998.

In 2007, your Company was awarded the Notable Achievement for the third consecutive time for environmental performance in 2005/2006.

- Prime Minister's Hibiscus Award 2006/2007, Negeri Sembilan State Award**
 For its continued efforts in the area of good environmental practices, your Company was also awarded the Negeri Sembilan State Award that was introduced for the first time in 2007.
- Malaysian Business CSR 2007 Award (Environment)**
 This inaugural award given by Malaysia's oldest business publication was presented to your Company for its continued compliance with environmental regulations and good environmental management.

EXTERNAL CERTIFICATIONS

As a reflection of sustained efforts, your Company has received certifications from SIRIM QAS International Sdn. Bhd. and Department of Standards Malaysia.

- ISO 14001**
 Your Company achieved ISO14001 certification in September 2000 and a re-certification audit was successfully conducted in 2006. This international standard sets the guidelines for environmental management.

- ISO 9001**
 Your Company successfully upgraded to ISO 9001:2000 by SIRIM in July 2003 with an expanded scope to include Marine services and a recertification audit was successfully conducted in 2007.
- ISO 17025**
 Your Company's laboratory migrated to the new ISO 17025 standard in 2001 and recertification audit was successfully conducted in 2007. This is the highest quality award granted in recognition of the technical competence of a laboratory and with a sound quality management system in place.
- OHSAS 18001**
 Your company achieved OHSAS certification in 2001 and a recertification audit was successfully conducted in 2007.
- ISPS**
 Your Company achieved compliance to International Ship and Port Facility Security (ISPS) in 2004.
